

DISPENSERS

THE DISPENSERS

- Available in 2 x sizes 290ml and 440ml
- Available in ABS, Acrylic and Aluminum Face Plates
- Face Plates can be designed to suit any décor, logo or design. Full colour printing and drip adhesive surface applied.
- Lockable ensuring integrity of the cosmetic and guests “security”.
- Cosmetics visible to housekeeping enabling easy monitoring.
- Easy installation, no drilling required.
- Ease of operation. Meets the USA Disability Act making them ideal for elderly and disabled guests. Do not require two hands to operate.

CARTRIDGES

- Available in 2 x sizes 290ml and 440ml.
- Cartridges biodegradable. Contain d2w a biodegradable additive.
- Patented cartridge dispenses product to “last drop”
- Cartridges will not leak.
- One 290ml cartridge is equivalent in plastic weight to 3 x 30ml traditional tubes/bottles.
- Cartridge will generally last 6 weeks.
- Cosmetic brand selection available.
- Full range of cosmetics including Shampoo, Conditioner, Body Wash, Body Lotion, Hand Wash, Conditioning Shampoo, Hand Sanitiser allowing conformance with hotel ratings (amenity offering)

BENEFITS

- A minimum 30% saving versus traditional amenity bottles/tubes.
- A 90% reduction in plastic waste which also reduces waste disposal costs. Assists with “greening” initiatives.
- Greater working capital with less stock on the floor. “6 weeks stock on the wall”.
- Housekeeping time.
- Space gained with less vanity area used for traditional amenities.
- Customer satisfaction particularly with elderly who often have difficulties opening and using traditional amenities.
